

## **HEALTH AND SAFETY UPDATE FOR OFFICE VISITS**

**For your safety and that of our staff, we ask that you follow these procedures:**

- Only one parent and child will be allowed on site
- Please phone your therapist from your car when you arrive in the parking lot
- Parents and school age children are required to wear a face covering/mask
- Temperatures of the child and parent will be taken when you arrive
- You must sanitize your hands and your child's hands in our waiting area
- Do not allow your child to bring any toys from home
- We will be implementing sanitary procedures throughout the center as per the CDC and ASHA
- We request that you stay at least six feet away from the therapist
- THANK YOU for your cooperation!
